Analysis regarding New Requirements

Need for new short term courses

To introduce new subjects as main subjects at BA level.

Students are late for first class due to late bus service.

Students state the need to construct a parking stand for vehicles in the college.

Action Taken:-

1 To start short term courses like beauty care, karate and computer for students.
2 Since the new education policy will be introduced in the state of Gujarat from next year There will be an increase in new subjects.
4 Remote area students arrive late due to late bus service are allowed to attend lectures.
5 Advanced and Modern LED Smart TV have been implemented so that the student can be oriented through the medium of internet.

Result:-

1 Short term courses like computer training, competitive exam training have been started from time to time.
2 New smart LED TVs have been installed to accommodate the large class through internet to educate the students with new advanced and modern education system besides books and reference books.
3 Due to late bus service attendance of students who are late is considered acceptable for class admission.
4 Subject related add-on courses have been introduced for students to enrich themselves in their subject.
